Dedication

The PIPER Staff of 1982 takes pride in dedicating the Thirty-Ninth edition of the PIPER to Ms. Geneva Carter. Because of her untiring efforts, her loyalty, and her dedicated interest in each and every individual student, Ms. Carter has come to be among the most treasured of our faculty. Without her help, the production of this annual would not be possible.

We love you,

PRESENTING THE

Senior Class of 1982

We, the Senior Class of 1982, would like to thank our parents for being there when we needed them and for the love, understanding, and support they have given us through the years. Some of us will continue our education, and some will not; but none of us will ever forget the good times we had in Hamlin High. We realize that the time has come for us to accept the challenge of making our own way in the world. Whatever the future holds for each of us is unknown, but nothing will ever change the memories we have of one another.

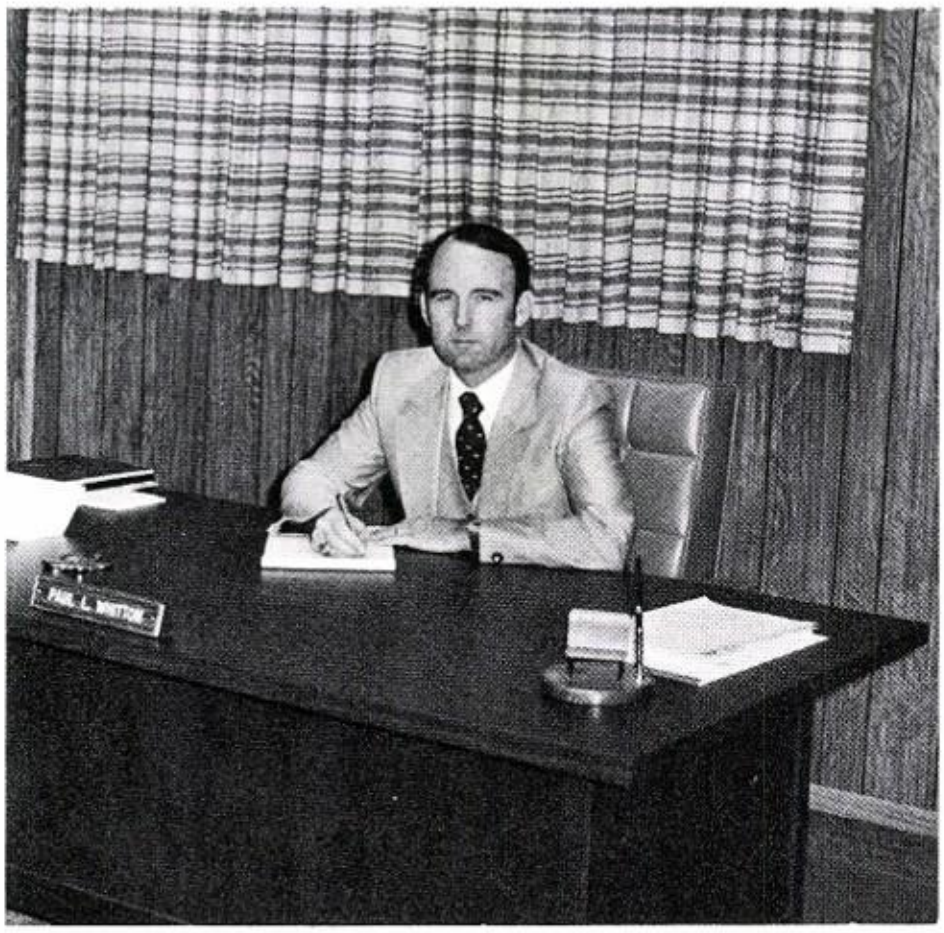
HAMLIN SCHOOL BOARD AND ADMINISTRATION

As you view this edition of the Piper, you are reviewing the many accomplishments of yourself and others during the 1981-82 school year. Browning once said, "I would rather aim at a million and miss it a unit then to aim at a hundred and make it."

Many of the accomplishments reflected in this book are the results of aiming at the high mark. I urge you who are graduating and you who are returning to our schools next year to strive to make the best investment of your time, your talent and your energy. Aim high, not in order to outdo someone else, but in order to do your very best in every responsibility.

Paul Whitton, Jr.



Dr. Paul Whitton, Jr.—Superintendent

The Hamlin School Board members are from left to right: W. T. Johnson, Renee Hymer, San Mack Hodges, James Rodgers, Dr. Paul Whitton, Jr., (Superintendent) and Spencer Ford. Not pictured is Mrs. Joe Norton.

The Hamlin faculty and student body wish to thank the school board for their interest and willingness in the upkeep of the school, the building of a new track field, and the remodeling of the library into a beautiful and effective resource center. Your concern in making Hamlin ISD an outstanding educational system is greatly appreciated.

Mr. Russell Merket—Principal

This is a world, undivided into itself. It is understood that each person is a separate and distinct unit, and this unit should be protected. The person should be educated, trained, and fulfilled to his highest degree.

While each person's worth is important and should be regarded as scared, it should also be remembered that "no man is an island" and cannot exist of himself.

You, as a student, are part of this world, part of this universe, and everything you do affects someone else. As in space flight—"To every action there is an equal and opposite reaction"—so the application equally coincides with "human flight."

So, your story is really our story. Your life and our lives are intertwined. Your success and failure are also ours, to be shared, suffered, and rejoiced. Remember that this is your daily, worldly travel, and, in remembering, act accordingly.

Russell H. Merket

Sharon Grissom, Jane Murphree, and Neva Carlton combine efforts at the Administration Office to keep all schools running smoothly. Jean Davis, secretary, helps Mr. Merket and the students in the high school office.

STUDENT BODY SELECTS

Teacher of the Year

First Runner-up—Ms. Geneva Carter

By popular vote of the student body, the 1982 Teacher of the Year is Miss Mary Esco. Miss Esco is the high school librarian. She has been employed by Hamlin Public Schools for 20 years, moving to high school in 1970 after serving as middle school librarian up to that time. This year she is Junior Class sponsor, being in charge of the pennants and banquet. She is a major help to Coach Phil Swenson during the track season, having traveled with the team for the past two years to state competition. "Thank you, Miss Esco, for all your work and concern!"—The Hamlin Student Body

Second Runner-up—Coach Phil Swenson

Third Runner-up—Dr. Connie Stovall

Chapter One

----No great work is ever done in a hurry. To develop a great scientific discovery, to paint a great picture, to write an immortal poem, to become a minister, or a famous general -- to do anything great requires time, patience, and perseverance. These things are done by degrees, "Little by Little." Milton did not write "Paradise Lost" at a sitting, nor did Shakespeare compose "Hamlet" in a day. The greatest writers must begin with the alphabet, the most famous musicians once picked out their notes laboriously; a child must learn to draw a straight line before he can develop into a Titian or a Michael Angelo.----W. J. Buxton
****

"This is not primarily the place that we have to be; it is the place that we are. It is the path that we must walk. And because we walk it only once, then how important it is that we walk it with some purpose that we call our own."---The Annual Staff proudly presents The 1982 PIPER: Our Story.

Inservice for faculty and registration for students begins the 1981-82 Hamlin I.S.D. school year. The date is August 24-26, 1981. The following day, classes begin. Football and volleyball workouts take up most of the time. Of course, football season involves more than the players and coaches. The members of the band practice not only for every Friday night performance, but for marching competition, also. Pep rallies -- with enthusiastic cheerleaders, run-through signs provided by classes, clubs, and organizations, and pennants sold by the junior class -- are given every Friday at 3:00 in the school auditorium.

Early in the year DECA students are placed in various businesses in town for on-the-job training and employment after receiving classroom instruction. Several of the members also participate in DECA contests during the year.

September 7 brings the first holiday, Labor Day. School resumes on the 8th, and school pictures are taken on the 9th. With homecoming approaching October 9, preparations for all activities must begin. The game Friday night against Merkel gives Hamlin another victory. Half-time activities include the crowning of the Homecoming Queen, Coming Home Queen, and the 1981 Homecoming Dedication recipient. A tea is held after the game in the high school cafeteria for all the exes. All four classes enter floats in the parade held on Saturday at 10:00 a.m. Early in the afternoon of the same day, the business meeting wraps up the homecoming festivities. October 9 also ends the first six weeks (just five more to go!).....

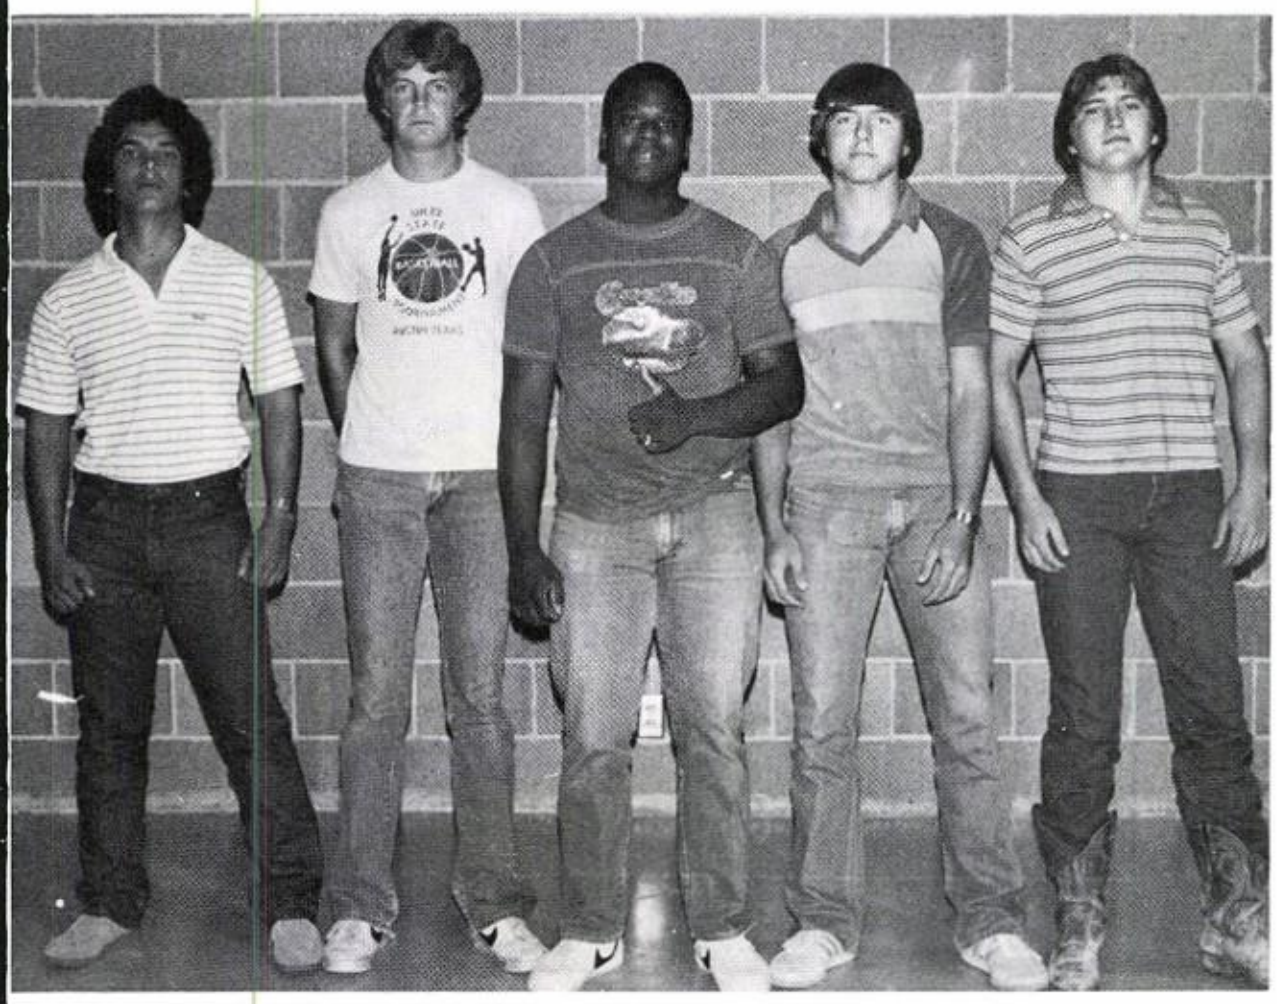
DISTRICT HONORS

The coaching staff consisted of Bill Grissom, head; Mark Cotton, Tommy Miller, Edd Henry, Randy Ivy, and Jerry Gooch. Our great season was helped by these hard-working coaches.



The football captains chosen for the 1981 year were Ray Morales, Hayden Merket, Ken Johnson, Brad Lakey, and Jeff Sonnenburg. These young men did an outstanding job in leading their team to the Regional title.

Four Pipers were selected for the All-Area team. They were Brad Lakey, Ken Johnson, Hayden Merket, and Jeff Merket. Ken Johnson was also selected on the All-State team and invited to play in the North-South All-Star game. Congratulations, guys!

"We, the coaching staff and players of the 1981 Piper football team would like to say 'Thanks' for all of the support that you gave us throughout our football season.

This year's football team has great reason to be proud because they did something no other Hamlin team has ever done, that is, win the Regional Championship.

This honor is something that these young men and the city of Hamlin will long remember.

In speaking for the school, community, and the coaches, we are very proud of this group of football players."

HAMLIN HIGH SCHOOL

Chapter Two

....The National Honor Society inducts 11 new members November 10 to make the total enrollment 17. Each Monday morning at the beginning of second period, the NHS president leads the pledge of allegiance. The members make posters to be displayed in the teachers' rooms, and they place birthday cards in the students' lockers. Citizens of the Month are selected by this organization every six weeks, and a special honor is given at the end of the year to a boy and girl to represent Citizens of the Year.

On November 11, the National FFA Convention begins, with district contests following on the 18th. And the second six weeks ends with a Bi-District win for Pipers against Munday the 20th.

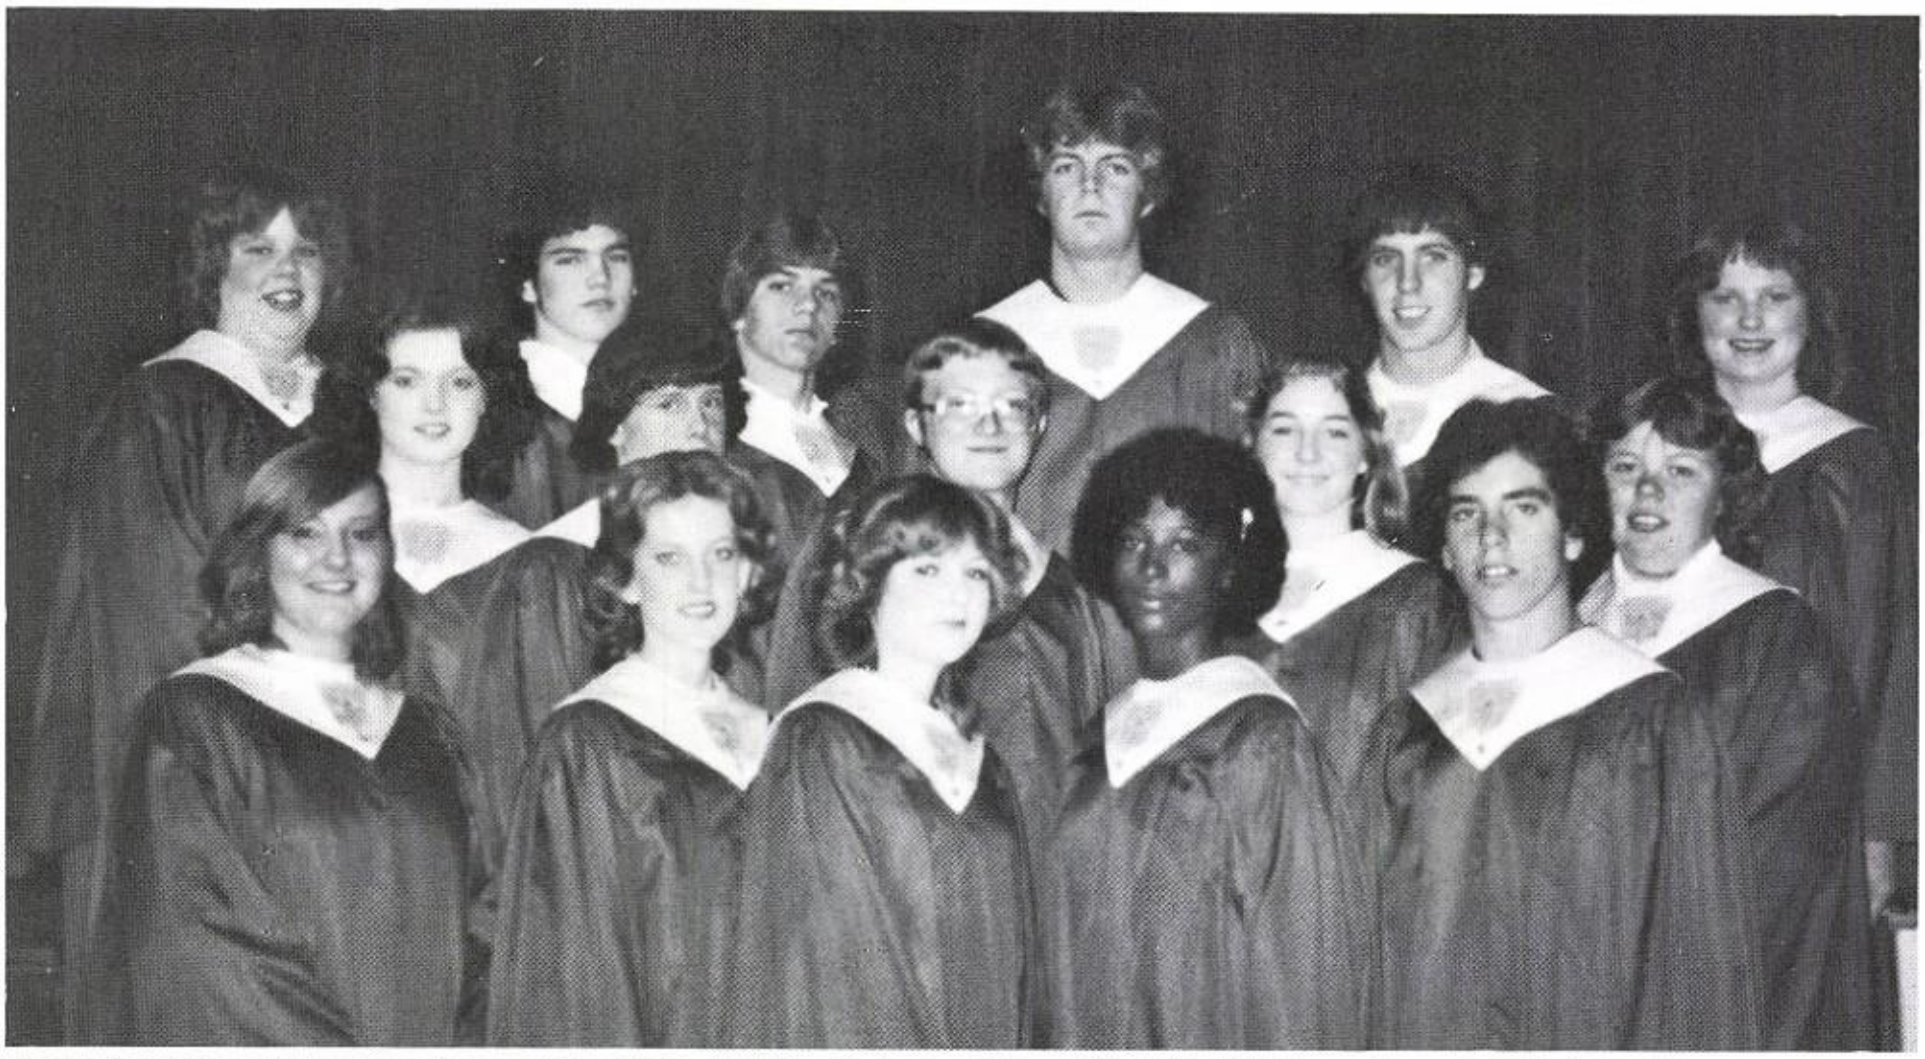
The school is dismissed for the Thanksgiving holidays after watching a movie, "The Villain," sponsored by the Student Council. Although it is a holiday, on November 27 a majority of the Piper fans are present to support the Pipers in a game against Plains. All the hard work and determination pull together to bring home the Regional Title. In a strong battle December 4, the Pipers lose in the quarter finals against Hale Center. But the Piper team is still to be congratulated. This is the first Regional Win for HHS. (Remember the year--'81-'82!)

Basketball season commences in November for both girls and boys. Most of the pre-district games are played in tournaments. All four teams play well. The varsity boys' team completes the season with a 13-7 record. The varsity girls end the season with a tie for district.

The second movie, "My Name Is Still Trinity," again sponsored by the Student Council, precedes the Christmas holidays December 21-January 1. On January 4, an ex-convict, Richard Coss, and a karate expert, Carl Crisswell, entertain and talk with the students at an assembly in the auditorium. All-district band tryouts come on the 9th, and 14 students are placed on the All-District band. Because of extremely cold weather and the gas company curtailment, school is dismissed January 11-13. This is the end of the first semester for HHS.

The fourth six weeks is filled with basketball, preparations for UIL events, and club meetings. The Area FHA Convention is February 19-20, and the six weeks ends on the 26th with a Faculty Senior basketball game (yes, the faculty once again pulls out a win over the seniors!).....

N.H.S. INDUCTS TEN NEW MEMBERS



The National Honor Society members are from left to right, front to back as follows: Mindy Smith, Teresa Gregory, Michele Spalding, Mary Bolden, Billy Joe Howerton, Sharon Ford, David Casey, Billy Bonds, Deana Pritchard, Katrina Bogle, Cheryl Scifres, Greg Young, Mitch Hymer, Haden Merket, Jeff Merket, and Susan Watts.

The Leaders of the National Honor Society are as follows: Mrs. Sharp, sponsor; Sharon Ford, president; Cheryl Scifres, vice president; Susan Watts, Secretary/treasurer; Mindy Smith, reporter; and Teresa Gregory, Historian.

The National Honor Society stands for character, scholarship, leadership, and service which is shown by the display in the preceding picture. The upper two were taken at the tea, after the induction ceremony.

The National Honor Society makes poster each month for the classrooms. Each member is required to make one.

An Italian Dinner was held at Mrs. Young's house. Afterwards, gifts were exchanged in honor of the Christmas season.

They cleebrated the end of another school year by going to Abilene for a fancy dinner and then attending a movie.

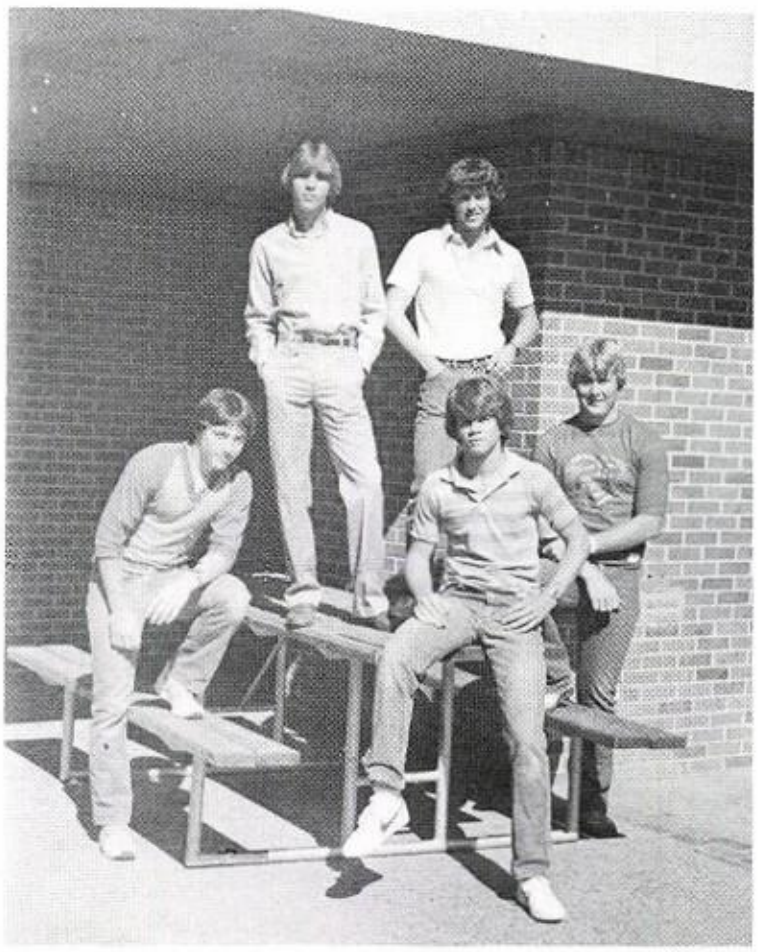
NATIONAL HONOR SOCIETY

N.H.S. also selects citizens of the month. The citizens of the month for the 1981-1982 school year were as follows: September, Greg Young and Deana Pritchard; October, Jeff Sonnenburg, and Susan Stafford; November, Ken Johnson and Monique Elias; December, Jodie Haught and Paul Ray Hastings; January, Missy Johnson and Eddie Bolden; February, Steve Austin and Pauline Brown; March, John Scifres and Tammy May; April, Tony Wright and Lesa Wilson, May, Jeff Lawlis and Jamie Watson.

They also select two seniors, not in the National Honor Society, as Citizens of the Year.

STUDENT COUNCIL

Student Council members are left to right, back to front as follows: Michele Spalding, Billy Joe Howerton, Eddie Bolden, Twila VanDam, Ricky Woolf, Sheila Lincoln, Greg Young, Charissa George, Tammy May, Christy Milstead, Mindy Smith, Teresa Gregory, Susan Watts, Lesa Wilson, and Mary Bolden.



Other members are Monty Grissom, Mitch Hymer, David Casey, Jeff Lawlis and Paul Ray Hastings.

Student Council officers are as follows: Mindy Smith, President; Susan Watts, Vice President; Mary Bolden, Secretary; Tammy May, Treasurer; and Michele Spalding, Reporter.

HHS PIPER BAND

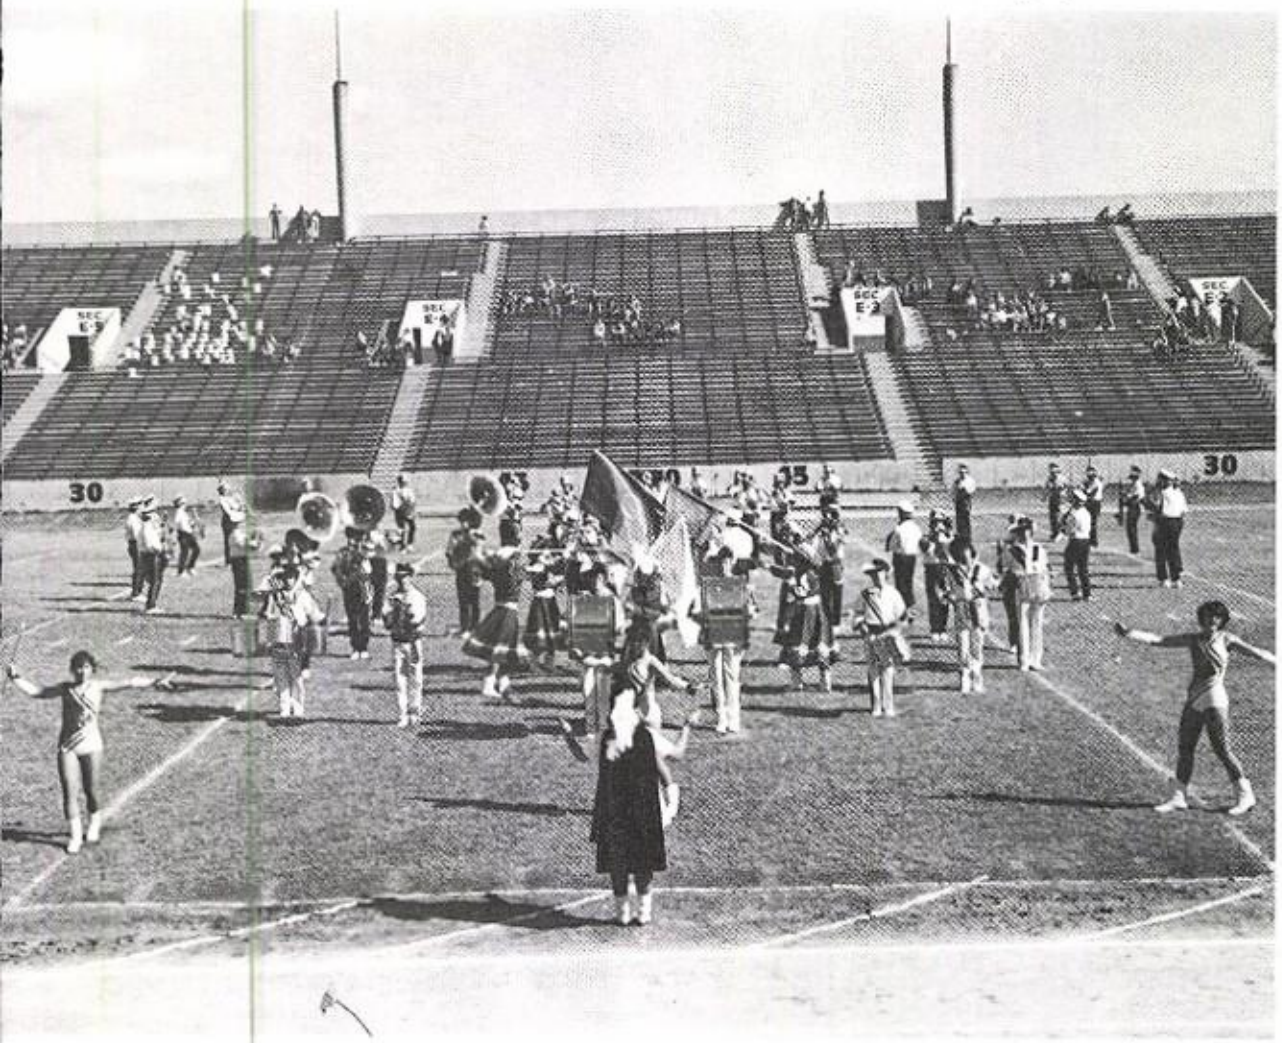
After receiving a I rating of district competition, Laine Wade receives a number four rating in twirling, and Craig Cowan receives a number three rating in piano, at State competition.

BAND STUDENTS HONORED

Louis Armstrong Jazz Award
Susan Watts

John Phillip Sousa Band Award
Teresa Gregory

Todd Reynolds Piper Band Award
Cheryl Scifres



The Louis Armstrong Jazz Award is presented to a stage band member who exemplifies outstanding achievement and leadership in the music field. Selected by band director, Richard Evans, Susan Watts is named the recipient of this award.

The John Phillip Sousa Band Award recipient must be a senior band student who has been in the Hamlin High School Band for a full four years. This award, selected by the band members, is presented to Teresa Gregory "in recognition for outstanding achievement and interest in instrumental music, for singular merit in loyalty and cooperation, and for displaying, generally, those high qualities of conduct which school instrumental music strives to impart."

The Todd Reynolds Piper Band Award is selected by the band director and goes to that student who shows outstanding character and leadership in the band. This year's recipient is Cheryl Scifres.

TWIRLERS AND FLAG CORPS

The 1981-82 twirlers are Debra Pyron, Loeida Thomas, and Laine Wade.

The 1981-82 Flag Corps members are Teresa Gregory, head, Lucia Gonzalez, Teresa Baldivia, Danna Schuette, Christy Milstead, and Anita Dixon.

Chapter Three

....The Stage Band receives a II at the Solo and Ensemble Contest at Hardin-Simmons University February 27. During the year, a piano solo and twirling routine receive a I rating to advance them to state. On the morning of March 4, the students watch a fire prevention assembly presented by the Farm Bureau. On the evening of that same day, parents and visitors come to Open House. Several students participate in the Jazz Band Festival the following day at Texas Tech. School dismisses, once again, for Spring Break March 8-12.

On the Monday following the spring break, the H-SU Band presents an assembly for the student body. Track, tennis, and golf season has begun. The UIL One-Act Play, "Sisters McIntosh," is presented for the students and faculty before going to competition March 18. One student is named to the All-Star Cast. On April 3 many students compete in District UIL Literary Competition at Anson. Six students advance to regional meet. The annual FFA Volleyball Tournament is the 8-9. With the seniors enjoying a supper given by the Methodist Church on the 15th, the completion of a school year draws near with the end of the fifth six weeks on the 16th.

But many activities fill the final six weeks. The Junior-Senior Banquet is given by the juniors the night of the 16th. Those six students winning at District UIL compete for regional titles at Odessa. One advances to state in Ready-Writing. On the 21st, the band receives a III and II in Concert and Sight Reading Contest. The boys compete in District track on the 22nd, and eight advance to regional.

The annual YHT-FHA Salad Supper and Style Show is given the night of the 22nd. During the year, FHA meets on the second Monday of each month. They present teachers with a red rose and have various other activities during FHA Week. A banquet is given for the members and their dates, and a FHA Beau and Sweetheart is selected.....

Chapter Four

....The girls winning in district track compete at the regional meet April 23-24 at Odessa. On the 27th, the boys play at the district golf meet. The weekend of the 29-31 is filled with a Student Council State Convention at Austin, a student placing 3rd in Ready-Writing at state UIL Literary competition, and the State FHA Convention in Fort Worth.

The evening of May 3 is the annual FFA Banquet. Students are recognized for outstanding achievements. The FFA members compete in many events during the year, and the students enjoy making cowboys and windmills from metal. This organization with FHA, Student Council, Annual Staff, and NHS, provides the workers for the concession stand at the football and basketball games.

The boys advance to regional golf May 5-6. The boys regional track is the 7 - 8, and the girls take a second team win at the state track meet at Austin. Sports awards and honors are presented at the All-Sports Banquet May 11. The seniors are honored with another supper by the Church of Christ, and the next morning seniors and sponsors travel to Six Flags for the senior trip. The boys state track is May 13-14, and HHS competes in the discus. Hamlin also sends one student to state as golf medalist. This week ends with the Area FFA Convention.

The juniors present their class play, "The Magic Touch," on the 18th. And the seniors enjoy their final senior supper for the year at the First Baptist Church May 20. Sunday, May 23, the seniors don the caps and gowns as they are escorted by their parents and relatives for the baccalaureate services held in the school auditorium. The band members have a banquet on the 24th and present their concert on the following night.

The entire student body and faculty join together May 25 for a final assembly to receive and present outstanding achievement awards. Final exams complete a prosperous year for most students. Commencement exercises are at 8:00 p.m., May 28, in the Hamlin School Auditorium. The faculty, administration, and the school board present 50 students for graduation, with 12 of the students named as honor graduates.

The 1981-82 school year has come to a close -- "We loved life so much that we hardly noticed the hard times until they had passed." Thus concludes Our Story.

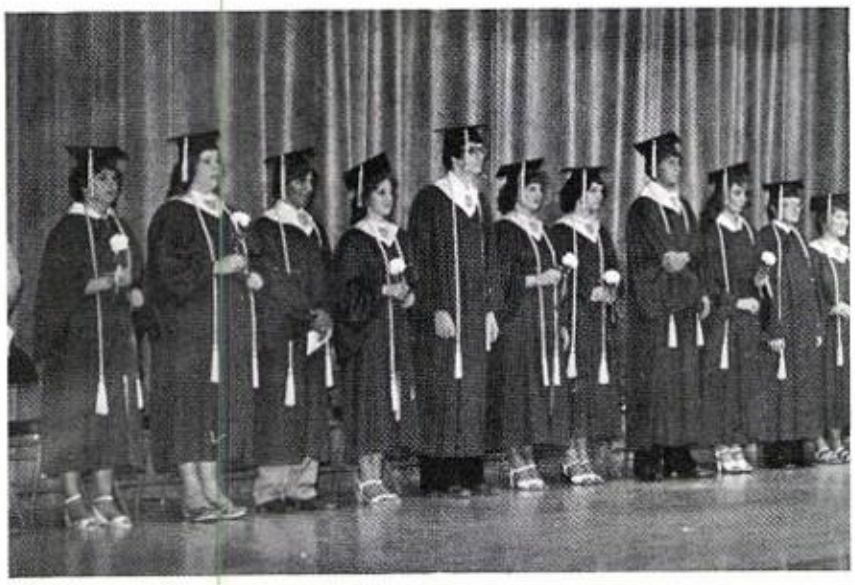
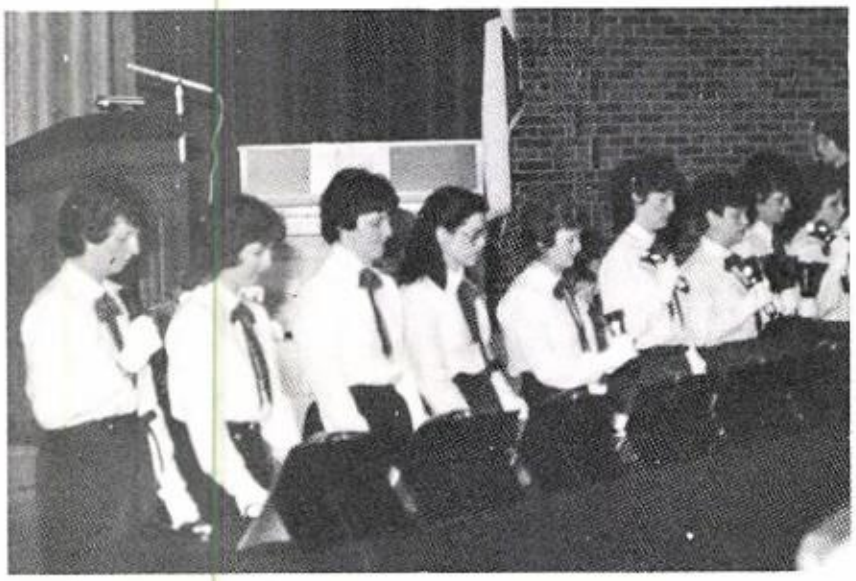
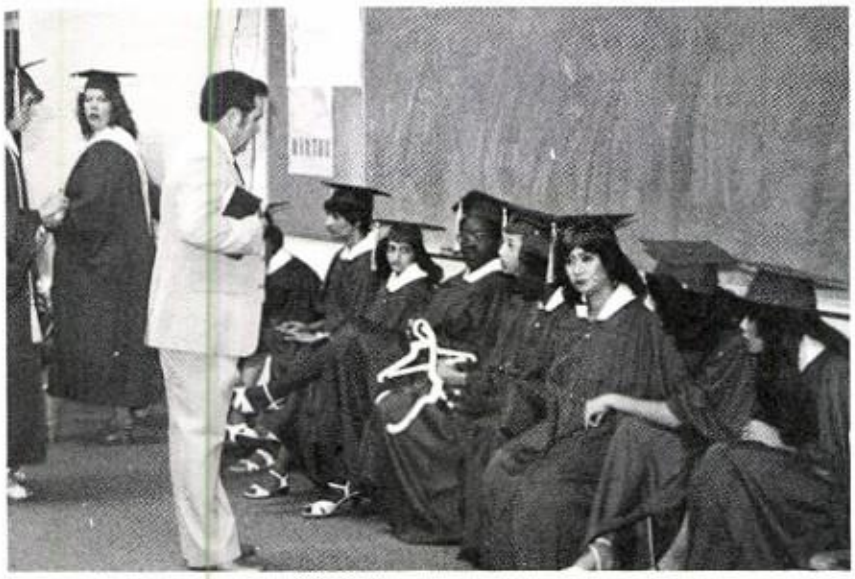
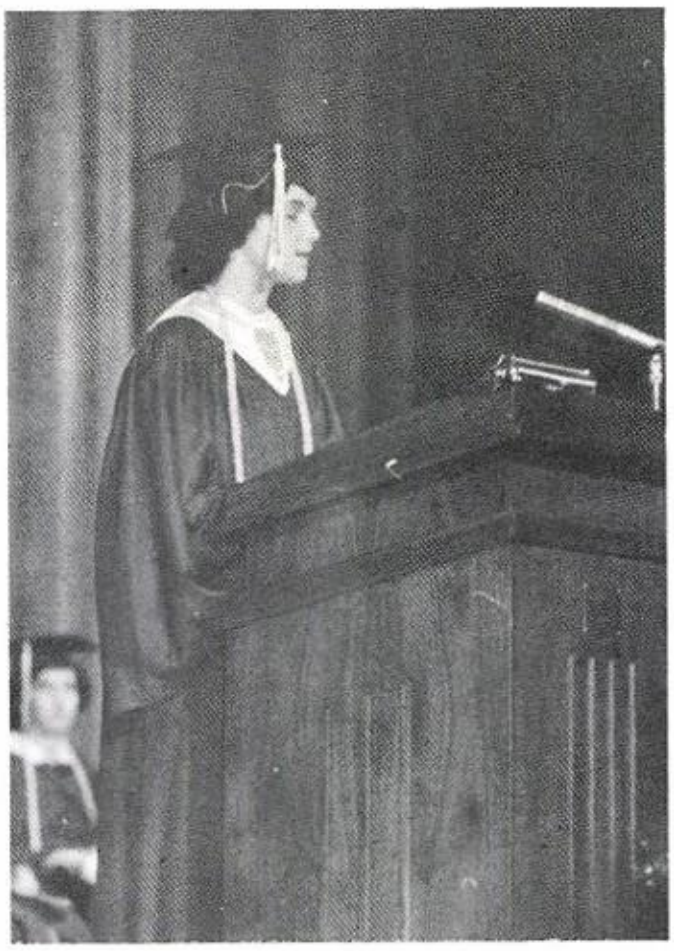
RECEIVE DIPLOMAS







Susan Watts, Valedictorian, gave the farewell address: ". . . Tonight I would like to think of graduation as a beginning of a journey and to imagine for a moment that before us lie several possible roads that will take us to our eventual destination. We will have to make many decisions, and the decisions will sometimes be very difficult. Looks are often deceiving; often two roads will look about the same, and we won't know which road to take . . . . . We must think carefully, examine the evidence, and read the signs before making our decisions. The result may make all the difference."



Sharon Ford, Salutatorian, gave the welcoming address: "It is with great pleasure, a sense of pride, and a wee bit of sorrow that I welcome you to the graduating exercises of 1982. On this important occasion I am reminded of John Donne's famous words when he said, 'No man is an island entire of itself; every man is a piece of the continent, a part of the main.' He beautifully states that all men are interdependent on each other. We all depend on each other for our material possessions, for comfort, for strength and for achievement . . . "

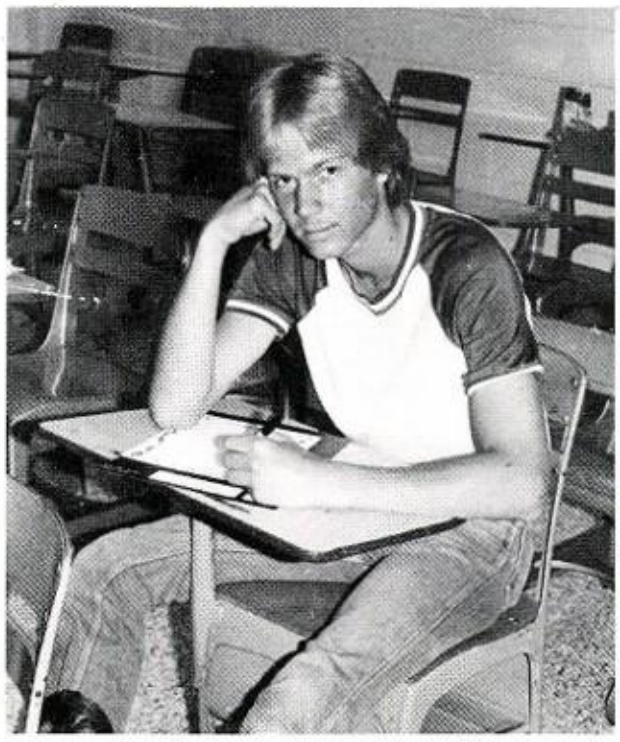
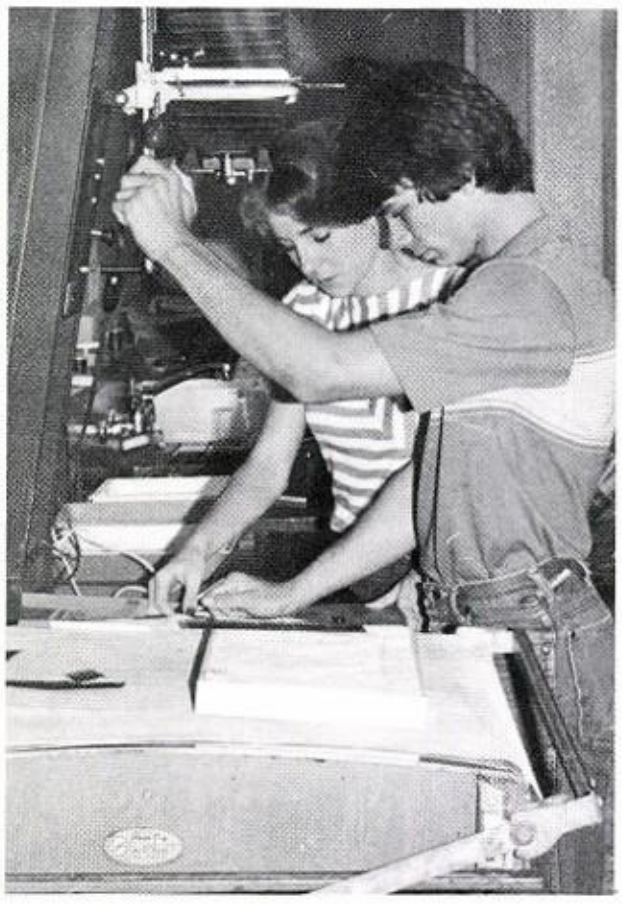
THE PIPER STAFF RE-CREATES "OUR STORY"



The Annual Staff wishes to thank Don Henry for his artwork.

The Annual Staff members are from left to right, back to front as follows: Missy Hodges, Elaine Wade, Jerry Woods, Christy Milstead, Katrina Bogle, Greg Young, Deana Pritchard, Sharon Ford, Teresa Gregory, Ricky Woolf, Kerry Smith, Ms. Geneva Carter, sponsor, and Susan Watts, editor.



Notes from the Editor

This annual is more than a book with pictures records and events. It is OUR STORY, the story of an unforgettable year at Hamlin High School. The year is now complete and can never be changed but can be remembered through the pages of this book. In the tomorrows when the 1982 PIPER is opened, I hope that the memories of today are recalled with pleasant thoughts and even a few joyful tears.

As editor of the '82 PIPER, I would like to thank the outstanding PIPER staff. Your dedication and hard work on this annual will be appreciated by all those to whom it brings memories. A special thanks goes to Stevie Reynolds for his photography. Many times we called of Stevie for his help, and he always helped us out.

To the advertisers, I say "thank you" for your support. It is nice to know that there are people in our community who are supportive of the school and its activities. I thank the students, faculty, administrators, and school board for their cooperation that has made the production of this annual an enjoyable task.

Last but certainly not least, I would like to thank Ms. Geneva Carter, our advisor, for all the time, thought, and hard work she has given the annual. Without you, this annual would never have become a reality.

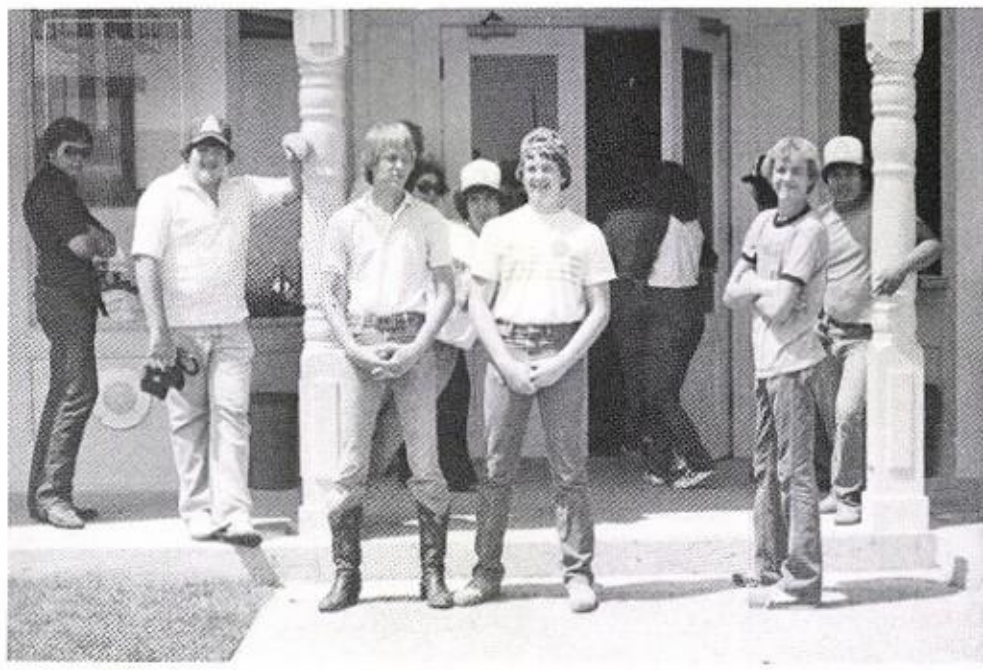
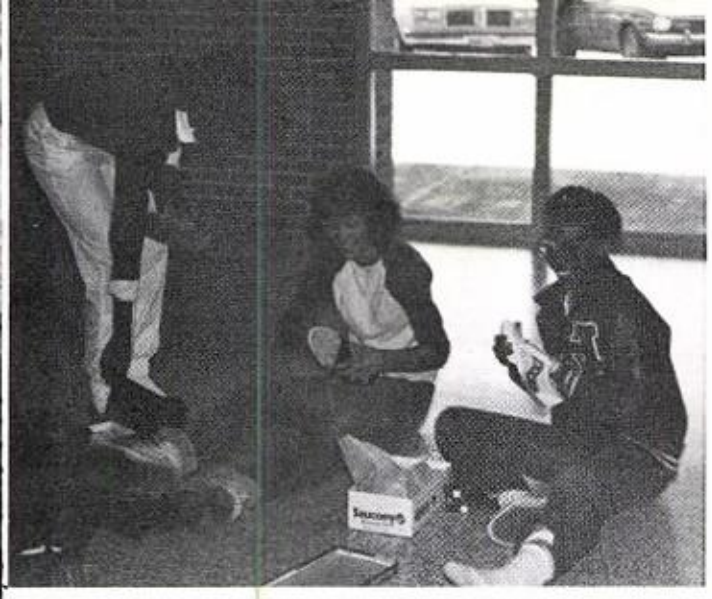
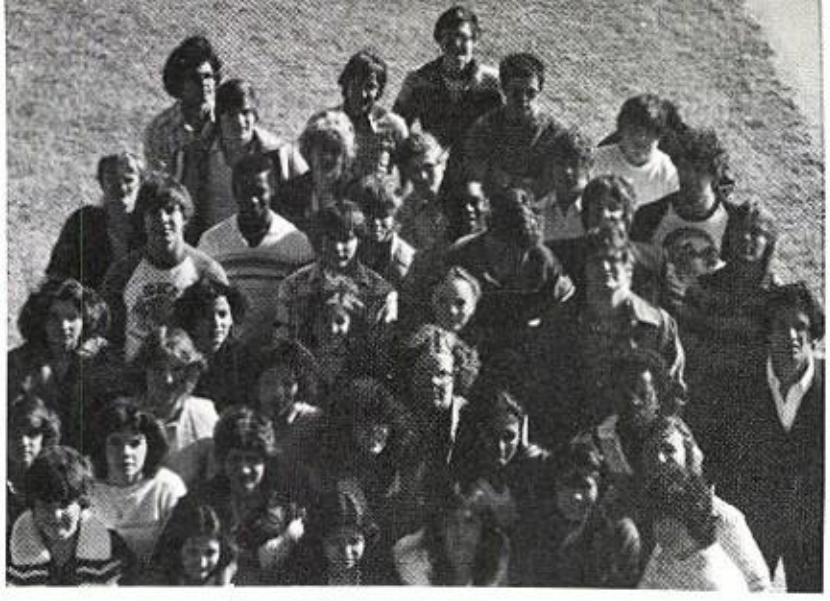
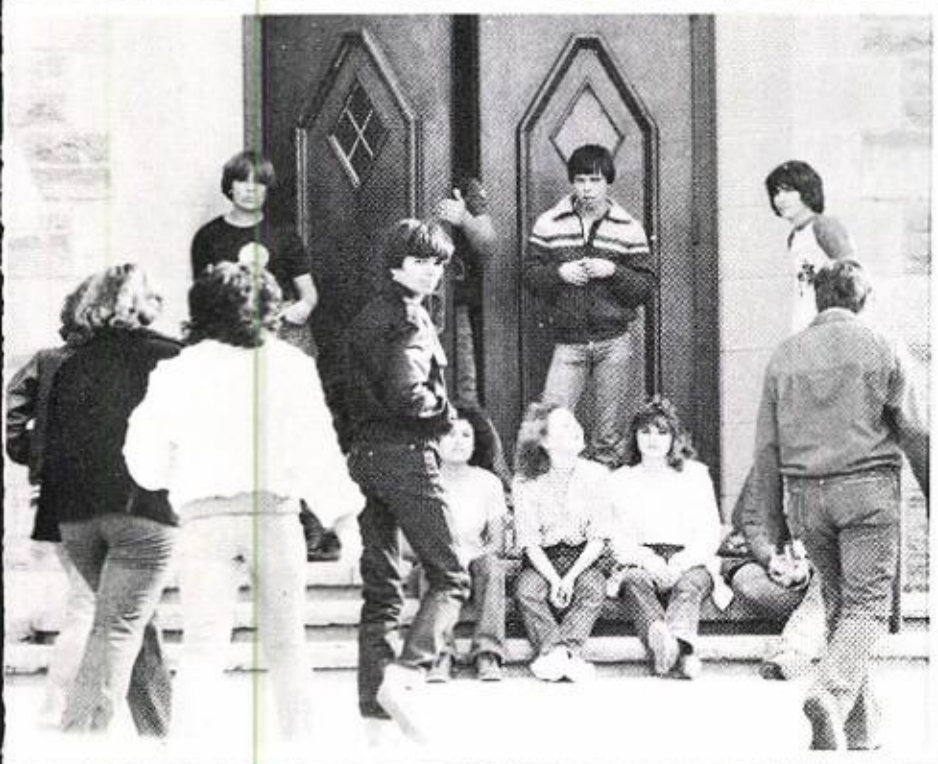
SENIOR TRIP

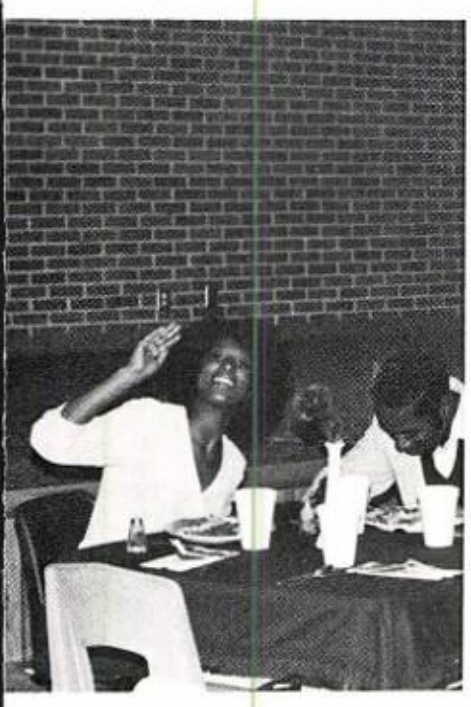


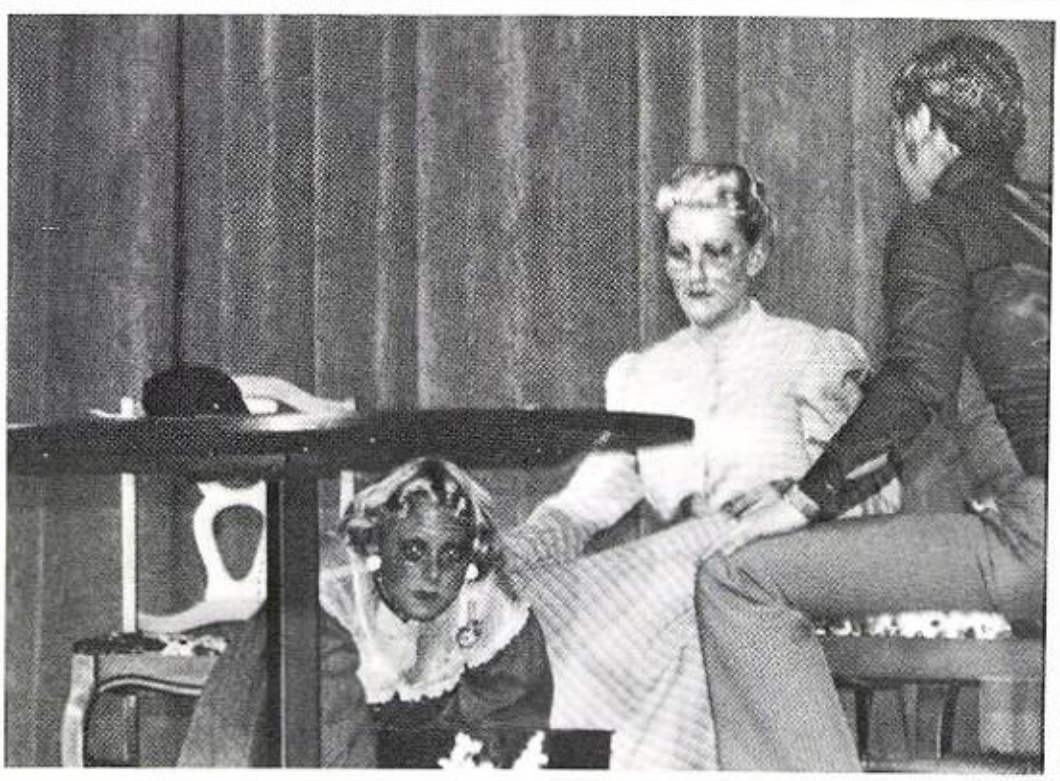
Six Flags is the major point of interest of this year's Senior Trip. Seniors, and their sponsors and parents also visit a wax museum and the Sports Hall of Fame. A short break is taken on the way at a road side park where snacks are provided. Seniors find extra time to ride the paddle boats at a nearby park while stopping for lunch.

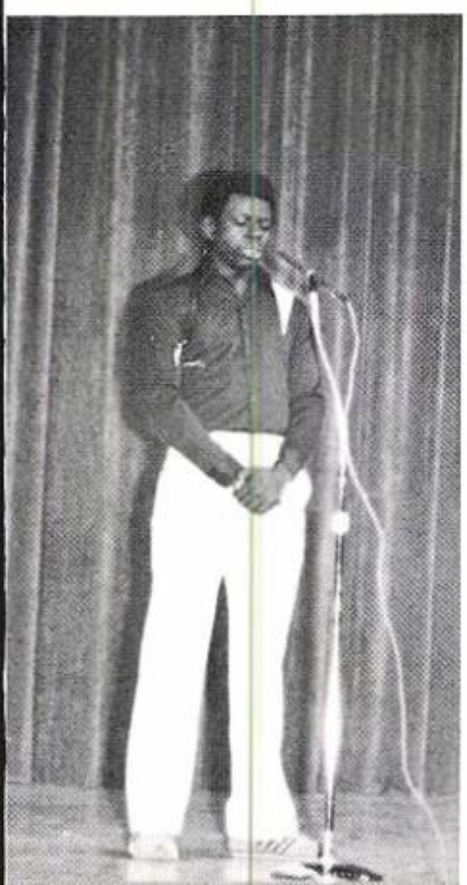












HAMLIN MIDDLE
Administration

With a new principal, new teachers, and new students this year, Hamlin Middle School has been a new learning experience for everyone involved. I feel that it has been a successful, rewarding year for all of us. I hope that the students have realized the need for study and educational goals, and feel they have received a solid foundation for disciplined study in the future.

Our goal this year was to instill a feeling of responsibility for ourselves, and a desire to work to the best of our abilities; I think we have achieved a measure of success. In doing this, we hope to create responsible, informed, productive citizens who will be able to enrich our schools and community in the years to come.

I would like to say a big "Thank You" to all who have worked so diligently and cooperatively to make Hamlin Middle School a memorable and pleasurable step on the ladder of education.
